# How to do this chart:

List the top 5 skills the employer wants. Then, get really honest + answer these questions:

1. Do you have all the skills + experience you need?
2. If not, what's missing?
3. What can you do to fill those gaps?
4. If you don't know what the gaps are, how can you find out?

Top 3 Required Skills / Experience / Attribute for Your Dream Job	Do you have it? Y or N	If yes, name Current Skills & Experience that match.	If no, name a comparable skill OR 1 way you can overcome this gap.	When did you use this skill? (Get your story ready for your next interview!)
